We are a company which established in 2009 specialize on produce and export canned food product, our two produce factories are located in Henan province and Shandong province which are the origin of most of the raw materials like mushroom and fruits.

Due to the easy reach of raw material, we could provide our customers with much more competitive price and fast delivery than other suppliers. In order to provide our valued customers with more efficient and better service, we set up a sales center in Yantai which is the main sea port for exporting.

We already build the good cooperate relationship with many countries customer, such as Russia, America, The United Arab Emirates, Nepal, Netherlands, and so on..
